

Fibrus Cookie Policy

This cookie policy has been created and updated by Fibrus.

What are cookies?

Cookies and similar technologies are very small text documents or pieces of code that often contain a unique identification code. When you visit a website or use a mobile application, a computer asks your computer or mobile device for permission to save this file on your computer or mobile device and gain access to information. Information collected through cookies and similar technologies may include the date and time of the visit and how you use a particular website or mobile application.

Why do we use cookies

Cookies make sure that during your visit of our website you remain logged in, all information you input through our address checker is retained for processing throughout your use of the website, you can use the website safely and the website keeps running smoothly. The cookies also ensure that we can see how our website is used and how we can improve it. Furthermore, depending on your preferences our own cookies may be used to present you with targeted advertisements that match your personal interests.

What type of cookies do we use?

Necessary cookies

These cookies are necessary for the website to function properly. Some of the following actions can be performed by using these cookies:

- Using our address checker
- Save your cookie preferences for this website
- Saving language preferences
- Log in to our portal. We need to check whether you are logged in.

Performance cookies

These cookies are used to gather statistical information about the use of our website, also called analytics cookies. We use this data for performance and website optimization.

Functional cookies

These cookies enable more functionality for our website visitors. These cookies can be set by our external service providers or our own website. The following functionalities may or may not be activated when you accept this category.

- Live chat services
- Watch online videos
- Social media sharing buttons
- Login to our website with social media

Advertising / tracking cookies

These cookies are set by external advertising partners and are used for profiling and tracking data across multiple websites. If you accept these cookies, we may show our advertisements on other websites based on your user profile and preferences. These cookies also save data about how many visitors have seen or clicked on our advertisements in order to optimize advertising campaigns.

Unclassified

These cookies are still in the classification process. They will show up in one on the following categories; Necessary, Performance, Functional or Advertising.

How can I switch off or remove cookies?

You can choose to opt out of all but the necessary cookies. You can do this by changing the settings within our Cookie Tool (accessible whenever you first access our website, or by clicking the blue icon. Alternatively, in the settings of the browser, you can change the settings to ensure that cookies will be blocked. Most browsers provide you with an explanation on how to do this in the so-called 'help-function'. However, if you block the cookies, it is possible that you will not be able to enjoy all the technical features our website has to offer and it may negatively affect your user experience.

If you want to view your consents audit please contact the website administrator.
