Terms & Conditions

1. In order to qualify for this offer, you must have an accepted sales order for Fibrus business broadband during the offer period.
2. A 24-month minimum contract term is required from the date your broadband is connected.
3. The discounted price and 3 months free subscription will be applied automatically to your monthly broadband plan.
4. The offer is valid only during the period stated at the top of these terms & conditions.
5. If the offer is no longer valid at the date you sign up as a Fibrus customer, then no discount will be available.
6. At the end of the contract term, the price of your broadband package will change to our then standard monthly price.
7. A standard customer broadband installation is assumed. Additional charges may apply to non-standard broadband installations.
8. The discount excludes any add-on service costs (e.g. additional wi-fi boosters, anytime unlimited call package plan and VOIP services) unless these are a constituent part of your broadband package, and which will incur the normal monthly charges at the prevailing rate(s) during the full term of your contract.
9. This promotion cannot be used in conjunction with any other Fibrus broadband plan or promotion.
10. Fibrus' normal customer terms and conditions will apply to all broadband contracts, subject to availability.
11. Fibrus will use your personal information only in accordance with our terms and conditions and our Processing Notice (Consumer) at <https://www.fibrus.com/privacy-policy>
12. If you are switching to Fibrus from your current broadband provider, Fibrus also currently offers a contract buyout contribution up to a value of £450 towards early contract termination charges incurred by you. This contribution is subject to review or withdrawal by Fibrus at its discretion but will not affect any contribution already agreed with you. This will be arranged via a Fibrus sales agent after receiving satisfactory contract termination fee details from you.

How to order

You'll first need to check if Fibrus broadband is or will be available at your address, whether you are eligible for this promotion and to place your order. To do this, please visit the website at www.fibrus.com or call us on 02890 994060.
